RIDE YOUR BIKE

Bicycling is one of the safest ways to get where you need to go and to get exercise right now.

If you don’t have your own bicycle, check out Philly’s Indego bike share program. Sanitize the handlebars before you go and when you’re finished.

DID YOU KNOW?
Philadelphia has more people commuting by bicycle per capita than any of the other 10 biggest cities in the U.S. Philadelphia’s bicycle commuting rate is estimated to be 2.3%, higher than Chicago (1.6%) & New York (1%).
