# Recycling in Rodin

## What goes in single stream bins?

Paper & Cardboard

Glass

Metal

All Plastics

Plastics #1-7

Containers

Clamshells

### Do not put in recycling bins:

Electronics

Styrofoam

Food Waste

Soiled Paper

CFLs\*

Wax-Lined Cups

## Where Recycling Alcoves on Each Floor

\*Recycle all light bulbs in College House lobbies

## Why

- The average American generates 4.38 lbs of waste per day
- Only 34.5% waste in the US is recycled or composted
- Recycling and composting prevented approximately 168 million metric tons of carbon dioxide equivalent from being released into the air in 2012—equivalent to taking over 33 million cars off the road for a year
