Involvement

I.9 We hold sustainability events at least annually (e.g. Green Day, Green Happy Hour, Bike/Walk to Work Day, etc.).

**Intent**
Participating as an office in a sustainability event builds not only awareness but a sense of camaraderie among staff and allows them to have fun together around sustainability issues.

**Point Value**
2 points

**Instructions**
1. Research some events that the office may be interested in holding
2. Share information on relevant events at a staff meeting
3. Make group decisions on which to undertake. Not every staff member needs to actively participate, but can provide support and encouragement for those who do
4. Identify one or two organizers for the event
5. Don’t forget to thank the organizers afterwards
